CALLAN PARK PUBLIC MEETING

After 20 years of successful community campaigns to protect Callan Park from overdevelopment and commercialisation, the government is now focused on opening this site up as parkland.

Join me for a **public meeting on Thursday 21 June** to learn more about the government's Landscape Structure Plan for Callan Park and provide feedback on their early concepts.

THURSDAY 21 JUNE

6:30 – 7:30PM

BALMAIN TOWN HALL, 370 DARLING ST

SECURING THE FUTURE OF CALLAN PARK

For over 20 years, our community has worked to defend Callan Park from being sold off, developed and commercialised. **The absence of apartments on Callan Park today is evidence of our success but there is so much more to do.**

Importantly, we succeeded in ensuring the site is now under the management of the Office of Environment and Heritage rather than Property NSW, who would have worked promptly to sell it off.

The government has recently taken on landscape design consultants who will be developing a Landscape Structure Plan for Callan Park. Their focus is to open the space up for parkland, demolish some buildings and promote walking access.

This public meeting gives local residents a chance to learn more about the government's early stage plan for Callan Park and provide feedback on their concepts.

HAVE YOUR SAY BEFORE THE PUBLIC MEETING

We want to hear from you about how you use Callan Park and what you want it to look like in the future. **Please have your say at goo.gl/jL2RQy**
