Broughton Hall ~ ***BROUGHT TO LIFE***

Self-guided outdoor historic exhibition

Saturday 1 September to Sunday 9 September
FREE -- open 10 am to 4 pm

Entrance @ the Gate in Church Street, Lilyfield
[between Wharf Road & Glover Street]

Exhibition explores the cycles of life
for this colonial mansion and its gardens from the 1840s.
Discover how it became a military hospital in WW1 then its
subsequent regeneration beside Callan Park
as the first voluntary psychiatric hospital in the nation.

Today it's a place of therapeutic, contemporary care.
